Walgrove's most important fundraising program of the year is happening **NOW** through **September 25, 2024**.

Why Give?

Your tax-deductible donation to Friends of Walgrove funds **staff AND programs** that make Walgrove special - programs that LAUSD does NOT cover, and that cost more than \$200,000/year. These programs will not exist without your generous donation.

Outdoor Education, led by environmental educator "Farmer Adam", engages all students at least weekly in the Wildlands, our one-acre native garden, and in our organic edible garden and orchard where students plant, grow, harvest, prepare and eat organic veggies. We have chickens too!

PS Arts & Musical Theater programs, led by the PS Arts organization, provide weekly theater to all students, as well a Spring musical, led by professional artists who help our students blossom.

STEAM Studio, a hands-on program allowing students to create, imagine, experiment, and learn using a variety of materials, led by two former Walgrove parents - an artist and an industrial designer.

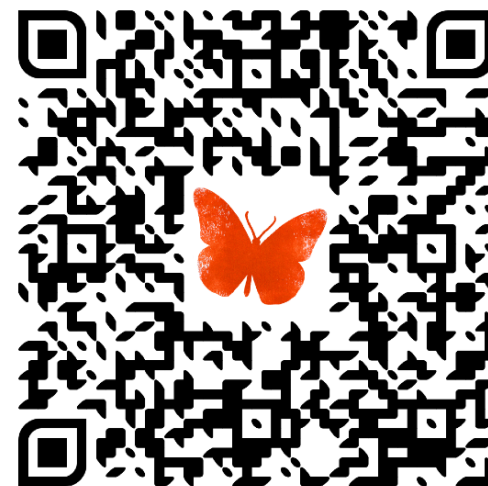

Physical Education - that's right, LAUSD doesn't fund gym class! But Coach Rachel helps our students cultivate an enjoyment of movement and exercise.

What to Give

Our requested donation is \$1,500 per student each year. It may seem like a lot, but compare the benefits to summer camps, daycare, or even private school tuition, and we hope you'll agree that it's an investment worth making.

- Please give as thoughtfully and generously as possible. 100% of donations go to Walgrove and benefit every student at the school.
- We recognize that finances vary from family to family - please give what makes sense for your family. No gift is too small.
- FOW is a registered 501c3 non-profit organization so your donation is tax deductible. Your employer may match your gifts - please ask them. If you need help from FOW, reach out to treasurer@friendsofwalgrove.com
